Dedication

To Proceedings Editorial Board Members, Outstanding Reviewers and Diligent Contributors in Supporting Us, Meeting Deadlines and Contributing to Elevate Proceedings of Shaikh Zayed Medical Complex (SZMC) to International Peer Review Standards

***Bismillah Hir Rehman Nir Raheem.
In the name of Allah, the most Beneficent and the most Merciful***

***Message by the Chairman Shaikh Zayed Medical Complex
&
Chief Editor of Proceedings***

Prof. Kamran Hussain

Prof. Saadia. S. Alam

We write at a very special time for Proceedings. Since it's journey began in 1987, only a year after Shaikh Zayed Hospital itself was founded, it has been a biannual publication. This year of 2018 will be the year that it progresses to a thrice yearly publication. This marks a significant chapter as it speaks for the increased interest of both readers and authors. The second greatest milestone that we have achieved is full national and international peer review for each published paper. This was a fundamental requirement for our next goal: a fully indexed journal. We can only strive harder if the goal is higher and further. And our goal is ever closer this year. We would like to encourage the potential authors of scientific research to strive towards fair and honest authorship. Honesty in authorship and in scientific data speaks for itself in the end product.
